

Governor O'Malley launches Citizen Tree Planting Initiative & Discounts for Maryland Citizens.

To encourage citizen participation, the State is offering \$25 discount coupons for the purchase of native trees costing \$50 or more. Whether taking advantage of the coupon program or not, citizens who plant new trees are asked to use the State's new website, [www.trees.maryland.gov](http://www.trees.maryland.gov) – which offers valuable planting advice – to register the trees they've planted and calculate their benefits. Soon they will also be able to site individual trees on their property on an interactive map.

The Public Works office has a few of these coupons available. Otherwise, go to the website and download the coupon.
